

BED TRANSFER REQUEST & INFORMED CONSENT FORM

PATIENT DETAILS Name: _____ UHID/IP No: _____

TPA Name: _____

Current Ward: _____ Requested Ward: _____

1. TARIFF & CATEGORY ACKNOWLEDGMENT

I, the undersigned, request a bed transfer and hereby acknowledge that all charges for the requested bed category—including Room Rent, Nursing, and Resident Doctor visits—will be governed strictly **As per the TPA Agreement** and the specific terms/capping of my insurance policy.

2. CORE TERMS & CONDITIONS

- **Availability:** I acknowledge that any bed transfer or category change is **strictly subject to the availability** of beds in that specific category at the time of request.
 - **Entitlement & Proportionate Deductions:** I am aware of my room entitlement as per my insurance policy. If I choose to occupy a category **higher than my entitlement**, I agree to pay the **proportionate deductions** (the difference in room rent, investigations, and procedure charges) out of my own pocket, as TPAs do not cover the extra cost of upgraded categories.
 - **Single Bed Policy:** I understand that I must vacate the previous bed immediately upon shifting. **A patient cannot occupy or block two beds at the same time.** If the previous bed is not vacated to allow for a new admission, I agree to be billed personally for the second bed, as insurance will not cover dual occupancy.
 - **24-Hour Billing Cycle:** The hospital billing cycle is strictly from **11:00 AM to 11:00 AM**. Any stay exceeding **8 hours** within a single cycle will be billed as a **full day**, which may impact my total insurance approval limits.

3. BINDING DECLARATION

I hereby confirm that the hospital staff has fully explained the TPA billing structure and the policies regarding bed availability, entitlements, and proportionate deductions. I am signing this form voluntarily and acknowledge that no information regarding these rules has been withheld. I understand that if the TPA/Insurance denies the claim or only provides partial authorization, I am responsible for settling the balance amount.
